

CATERING ENZO'S WAY

Throwing a party? Need to wow your clients with something new? We can help! With over 20 years of catering experience, we understand the ins and outs of what you need and really want.

First, you need a change of pace. Our creative and diverse menu appeals to a broad range of tastes, from our specialty pizzas to Ciabatta subs to our fresh salads with the highest quality ingredients. We have it all. And we deliver it fresh and on time.

Need your meal to be quick and simple? Our lunch boxes are a perfect solution. Every sub starts with high-quality Boar's Head meats and cheeses. Each box is filled with an eight-inch Ciabatta sub, a side or small salad, and a cookie. It's a great way to get people through the lines quickly.

But if you're thinking outside the box, create your own custom spread by mixing and matching specialty pizzas, fresh Ciabatta subs, whole-wheat wraps, wings, breadsticks, an array of salads, cinna-zo's, fresh-baked cookies and beverages. Give your guests variety and flexibility to choose what they really want.
